

Children Receiving Subsidies in Oregon

For reporting period: July 1, 2018 to September 30, 2018

An important goal of Oregon's Early Learning System is to increase access to high quality care and education for all children in Oregon. This includes children from low income families and across all racial and ethnic backgrounds. The following information depicts data about children receiving child care subsidies and is the only available data about children in child care.

Children in Subsidized Care

Subsidies in Oregon

Current data shows that children from low income families are accessing quality child care and that those children are from diverse racial and ethnic backgrounds. 31% of children receiving subsidies are in QRIS participating programs (Commitment to Quality (C2Q) to 5-Star). 41% of those are from racial and/or ethnic groups, which are considered minorities, as compared to the percentage of minorities in subsidy across all licensed programs (43%).

Oregon's QRIS Participation

The table and chart below show race and ethnicity of children receiving subsidies in licensed programs and Oregon's QRIS participating programs according to designation and rating.

	Licensed (non QRIS)	C2Q	3-Star	4-Star	5-Star	Total*
African American	974	283	32	*	16	1305
Asian	75	19	*	*	*	94
+Hispanic or Latinx	2150	813	106	16	25	3110
Native American/Alaskan Native	101	65	7	*	*	173
Native Hawaiian/Pacific Islander	22	7	*	*	*	29
Two or More	276	63	29	*	*	368
White	4666	1515	402	116	107	6806
Total	8264	2765	576	132	148	11885

+Indicated the ethnicity of Hispanic and any combination of race.

*Stars represent 6 or less children and count as "0" in the report. Actual totals may be more than shown.

All data from Oregon's Department of Human Services for reporting period July 1, 2018 to September 30, 2018. Reported on October 17, 2019.

+ Indicated the ethnicity of Hispanic and any combination of race.

Information is about children 11 years and younger receiving child care subsidy.

Because of the nature of child care in Oregon these reported data are the most reliable source of demographic information about children in care, with the acknowledgement that this information is self-reported and optional.

Children & Families Receiving Child Care Subsidies in Baker County

For reporting period: July 1, 2018 to September 30, 2018

An important goal of Oregon's Early Learning System is to increase access to high quality care and education for all children in Oregon. This includes children from low income families and across all racial and ethnic backgrounds. The following information depicts data about children receiving child care subsidies and is the only available data about children in child care.
