Foundational 1/2 Day Workshop—3 hours (FREE)

Designed for all adults who work with youth (youth ages 4-13), including teachers, childcare providers, afterschool care providers, child mental health providers, and more!*

**Playworks counts as a Set 1 for childcare providers.*

Get started on creating a safe, inclusive and active environment for youth with Playworks foundational workshops. Whether you work on the playground, in the classroom or at a youth program, these workshops provide the fundamentals needed for initiating, teaching and transferring healthy play practices to the kids you serve.

Power of Play- Three hour experiential workshop for up to 40 participants.

This workshop introduces the importance of play and lays the foundation for creating a safe and healthy environment for youth. It includes a discussion of the various barriers youth may face and ways to help overcome them. The workshop is interactive, *so come prepared to have fun and play!*

Outcomes:

- 1. Participants will know at least three games they can implement at their site.**
- 2. Participants will verbalize the physical, academic, and social/emotional benefits of play.**
- 3. Participants will verbalize barriers to play that youth at their site face and ways they might overcome those barriers.**
- 4. Participants will apply concepts of creating a safe, inclusive environment to their own site.**
