

TRI and OHSU Need Participants for a Study

- We are looking for babies ages **4 to 8 months**
- This study will look at how your baby is developing over time. You will be asked to give your input when your baby is 6-8 months, 18 months and 3 years of age. At age 3, we will ask you to tell us about your child's learning such as finding a hidden toy and engaging in social play.

Who?

- Babies born low birth weight (LBW)
and
- Babies who are born full term

Where?

- We will see you at: OHSU Doernbecher Children's Hospital in Portland, OR
or
- Teaching Research Institute at Western Oregon University in Monmouth, OR

Time?

- Three visits of approximately two hours

Cost?

- There is **no cost** to you
- You will receive \$25.00 dollars after each visit for a total of \$75.00

Ready? How do I sign up?
