

TRI and OHSU Need Participants for a Study

- We are looking for babies ages **6 to 8 months** for a study on low birth weight (LBW) and your baby's development
- Your baby will be assessed on a measure of infant development and you will complete parent reports at ages **6 to 8 months, 18 months** and **3 years**. At 3 years, you will also complete a report on your child's development

Who?

- Babies born LBW who do not have major medical conditions
- Babies who are born full term and do not have any known delay

Where?

- OHSU Doernbecher Children's Hospital in Portland, OR
- Teaching Research Institute at Western Oregon University in Monmouth, OR

Time?

- First visit will take 2 hours
- Second visit will take 2 and 1/2 hours
- Third visit will take 2 and 1/2 hours

Cost?

- There is **no cost** to you
- At the first visit we will **give you a \$25.00 stipend** to help pay for your time and gas
- At the third visit we will **give you an another \$25.00 stipend**

Ready? How do I sign up?
Please call or e-mail Mandy Stanley
