An Exciting Opportunity for Grade 6-12 Teachers

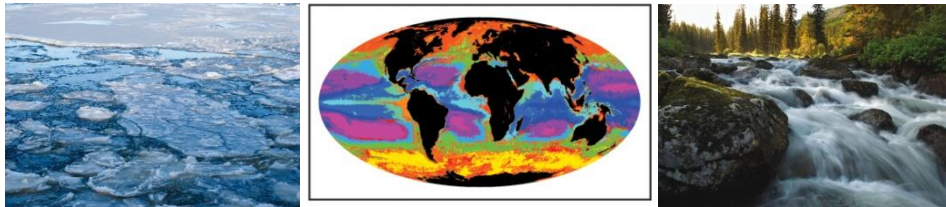

Would you like your students to be:

- engaged in a service project that gives meaning to their learning?
- involved in an environmental education project that serves your community?

Develop an environmental education service learning project with your students.

Write up and submit your proposal by October 1, 2012.

**Your school/district may win a grant
for \$2,000 – \$5,000 to fund your project**

See the *Request for Proposals* for [Project SITE: Students Involved with Their Environment](#). This grant is funded through the U.S. Environmental Protection Agency and is open to schools in high-need districts in the four-state region of Alaska, Idaho, Oregon, and Washington. Project SITE is managed by The Teaching Research Institute, Western Oregon University.
