

Transition Path to Adulthood

A guide to helping you and your child. . .

Your student's transition to adulthood

Important path to **future success**Different **path** for each student
Different **timeline** for each student

Process can be challenging, need to consider everything from daily living to training and employment

You and your child will need continual **support** and **guidance** to prepare for life after school: Awareness of how their disability will impact the **work** that they do and the **life** they will live

When your child has an understanding of his/her strengths, interests, and needs this will benefit them as they enter the workforce or pursue secondary education, acquire "soft skills" for jobs and life, ask for help, deal with conflict and accept direction to be successful

Age 14

Age 15

Age 16

School & Family

- Consider chores with allowance and increase life skills
- Increase life and job skills, consider volunteer opportunities
- Develop and increase community and personal safety skills
